

# **ERANT INTERMODAL**

**New intermodal  
solution for shipments  
to Ukraine via Poland**

## SIMPLIFY DELIVERY TO UKRAINE

- Erant Intermodal is a provider of a complete door-to-door solution from Europe to Ukraine via Poland
- Bi-weekly departures of block trains between terminals in Poland and Ukraine, with door-to-door transit times from seven days
- Goods delivered using European standard gauge rail wagons are transhipped at terminal in Poland for onward delivery to Ukraine using broad gauge rail wagons
- Full container loads (FCL) suitable for palletized loads, together with goods in big bags, rolls, sheets or liquid containers, as well as bulk loads
- Erant is part of agribusiness group ATK, and handles over 1.2 million tonnes of bulk shipments per year, including 150,000 tonnes between Poland and Ukraine

## ADVANTAGES

- **Cost** - stable year-round pricing available
- **Simplicity** - single point of contact with offices in Poland and Ukraine
- **Reliability** - wholly-owned and partner terminals in both countries, own fleet of brand-new 40-foot platforms and 20-foot pallet wide high cube containers
- **End-to-end solution** - support with customs, insurance and security
